

## New Hotel Okura Luxury Resort to Open in Metro Manila in 2018

October 23, 2014, Tokyo – Hotel Okura Co., Ltd. announced it will open Hotel Okura Manila (tentative name) in 2018, a new luxury resort in the Philippines. Okura has an agreement to manage the hotel with Resort World Bayshore City, Inc., a subsidiary of Philippines-based Travellers International Hotel Group Inc.

The hotel will be part of Bayshore City Resorts World, a large-scale integrated resort, which will be the last of four multibillion-dollar private-sector casinos licensed by the Philippine Amusement and Gaming Corporation to create a gaming zone. Called Entertainment City, the zone will be located on Manila Bay in the City of Parañaque, Metro Manila. Bayshore City Resorts World will also have an opera house, an upscale commercial complex, condominiums, cinemas and convention facilities. It is only three kilometers (1.9 miles) from Manila's Ninoy

Aquino International Airport, and five kilometers (3.1 miles) from the City of Makati, the country's main business district. The prime location positions the new Okura property as an ideal base for both leisure and business travelers.
